

## Dear Umesh, Alex and everyone at Le Talbooth

Just a quick note to say thank you so much for making the June 14th such a special day for us. The venue and food were absolutely amazing and so many of our friends and family have commented on how much they enjoyed themselves and how beautiful the location was!...

## To all at Le Talbooth

We would like to say a huge thank you for making our wedding day so special. We had a wonderful time and you all made it stress free!

## Dear Umesh, Alex and Richard

We would like to thank you and the rest of the staff at Le Talbooth who made our wedding such a wonderful day. Many of the guests commented on the wonderful food, venue and service at all three of the venues - the Maison Talbooth where the ceremony took place and Milsoms where guests stayed for the weekend, and of course the Marquee at Le Talbooth. It was a perfect location and wonderful weather.

## Dear Milsom Weddings

Just want to say a massive thank you to yourself and all your team for all your efforts to make our wedding so special. Nothing was too much, it was 5\* treatment and I felt like a Princess! Richard, Alex and Mariann are just a few who were exceptional. Thank you. The food was amazing as always. We couldn't have asked for a better location.

## Dear Umesh

Just a note to say a big thank you for all your care and attention on our wedding day, 1st May. We and all our guests thoroughly enjoyed the day, and the kindness and professionalism shown by yourself and your staff contributed greatly to this. The restaurant looked beautiful and the drinks reception on the terrace was a hit with everyone! The food was delicious and the asparagus darts was an excellent choice - we are very grateful for your careful guidance with the food and wine. Please enjoy the bottle of Chablis from us, we feel you really deserve it! We will be back in July for Jon's birthday.

## Dear Alex, Linda, Umesh and Simon

In advance of our official thank you cards (which are taking longer than expected to produce!) we just wanted to say a huge huge THANK YOU for all of your hard work both on our wedding day a few weeks ago and in preparation for it. We had an absolutely fabulous day and much of this is down to you and your staff!

The main reason for picking Le Talbooth as the venue for our wedding reception was that we knew that you would provide an amazing service, delicious food in beautiful surroundings and that we wouldn't have to worry about anything but the day still exceeded our expectations. We just wish we could do it all over again!

We will send details of our wedding website on which we hope to be able to post our photographs over the weekend in the thank you cards just in case you want to have a peek!

Thank you so much again!

"Milsoms dedicated wedding website is extremely user friendly and very easy to navigate. I've had several bookings from the site already and many clients comment that all the information you need is only a click away!"

## Dear Umesh

We would like to express our gratitude to you and to all staff at Le Talbooth, Maison and also Milsoms for your efforts in making the day so special and for looking after us and our guests so well. We have received so many warm comments about our wedding, not only with regard to the day itself but also regarding the wonderful venue and the excellence of the service that you provided. We'd imagine that you may be seeing some of those faces again in the near future and we certainly look forward to visiting again soon.

## Hi Alex and Linda

Firstly, I would like to say a huge thank you to you both and our extended thanks to Mariann and the whole team at Maison Talbooth who worked so hard to make our wedding day even better than we could have dreamed! From the moment I arrived Mariann and everyone there worked so hard to ensure that every aspect of our day was taken care of, from the amazing organisation, reassurance, professionalism and friendliness they showed to us in such a beautiful venue. They made sure everything was arranged beautifully for us, the food was outstanding and the care and attention to detail was second to none! Please can you pass on our sincere gratitude. Without such a wonderful group of people, I would have had a complete meltdown and they really did make sure that we and our guests were totally taken care of and we all had such a wonderful and memorable day. A HUGE thank you to everyone from us both!
