We love weddings

Le Talbooth is a modernised 16th century listed building with a stunning Marquee set within the riverside gardens that gently curve along the River Stour.

This licensed location is just lovely and when the sun is shining and the flowers are in bloom, there are very few places that can top it.

{ Our unique setting is the ideal backdrop
for your dream wedding photos }

Preparation is key

The Milsom Weddings team are here to be as involved as you need us to be. Preparation is everything, and from your first viewing to the final dance we'll be working tirelessly on every detail. Weddings are what we do. No two are the same, but all are delivered with the utmost care, consideration and attention to detail.

*{ Our expert team has extensive experience in
planning beautiful weddings in Essex }*

Let's get married

You have the option to have your wedding ceremony at a local church or registry office, or indeed here at Le Talbooth in our River Room, which is the perfect intimate location to say 'I do!' in front of family and friends.

{ Have your ceremony in the River Room and enjoy full exclusivity of Le Talbooth until early evening }

*Make your entrance unforgettable as you step
off our boat to greet your guests*

Time for fizz

This is your day and we make sure that you have it your way. When it's time to greet your guests at Le Talbooth, you can choose to arrive by carriage or coach or perhaps even our boat.

When the canapés and refreshments arrive, they're always welcome and it's our job to make sure that you and your guests have everything you need to enjoy and savour these moments.

Please take your seats

You'll be a little more relaxed now as you notice your guests unwinding and enjoying the day. The photographer will have captured the images and memories and you can now look forward to enjoying the menu that you've chosen. Guests are seated and you've made your entrance – it's time to sit back and soak up the day whilst enjoying your wedding breakfast.

{ Our dedicated chefs will craft your bespoke wedding menu }

There's more to come

Your band, music or entertainment will all be in place as you anticipate the arrival of your evening guests.

The cutting of the cake and the first dance signify to your guests that the evening is upon them and it's time to completely relax and unwind.

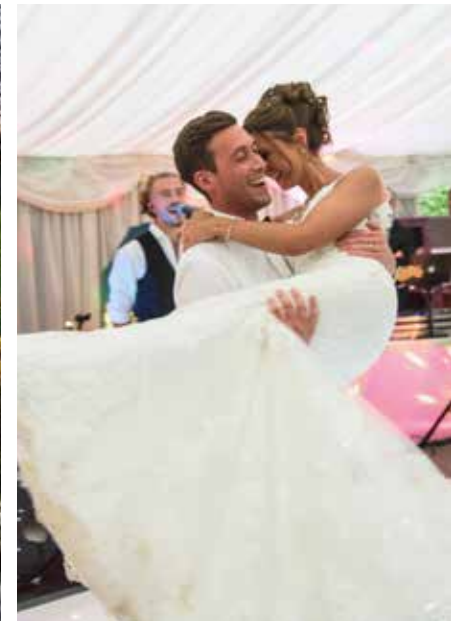

Your guests have no need to vacate the Marquee for a changeover, the venue is ready for the evening straight after dinner.

Our beautifully landscaped gardens are perfect for those all-important photos

The party!

A wedding really should be a wonderful and memorable party and we'll be there to make sure that happens.

Le Talbooth is beautiful during daylight and illuminates at night, creating a wonderful backdrop for friends and family to dance until midnight.

{ Our contemporary Marquee is lit to provide a truly magical setting for the evening's entertainment }

What a wonderful day

Once you've dined and danced late into the night, our courtesy vehicle is at the ready to transport those who are staying at our hotels.

We'll do everything to ensure your day is remarkable
